Early Head Start Expectant Families Program

- This is a home visiting program offered by SKCDC in partnership with KVCAP Maine Families and the Maine Parent Federation/Parents as Teachers Program for pregnant women and their families who plan to enroll their newborn child in our center based or home based Early Head Start programs.

Our programs provide quality services for children and families, including children with special needs, at no cost for Head Start and Early Head Start and low cost for child care for families who are eligible for child care voucher or other child care fee subsidies. Private rates for child care services are also available.

Families are responsible for transporting children to and from programs. We assist families to access community based transportation services and financial supports.
