If you accept families who pay for child care with state subsidies, these are the maximum rates that the state will pay. Your own rates may be higher, but if you choose to accept state subsidy payments, you will have to agree to accept the lower rate for subsidy children.

The age groupings are based on the Child Care Center Licensing Rules for ratios and group sizes:

- Infants – 6 weeks through 12 months
- Toddler – 13 months through 36 months
- Preschool – 3 years to 5 years (not eligible for kindergarten)
- School age – Kindergarten to 13 years

The rates listed are for full-time care (30 or more hours per week). If the child is in care for less than 30 hours per week, the reimbursement rate is based on the number of hours care is provided.

• **Infant, Toddler and Preschool**

Full-time = 30 or more hours per week – Full-time rate.

Three-quarter time = 20 hours to less than 30 hours per week - 75% of full-time rate.

Half-time = 10 hours to less than 20 hours per week – 50 % of full-time rate.

One-quarter time = Greater than 0 hours to less than 10 hours per week - 25% of full-time rate.

• **School Age** (Rates are based on the number of hours a child is in care, regardless of the time of year)

Full-time = 30 or more hours per week – Full-time rate.

Three-quarter time = 11 hours to less than 30 hours per week - 75% of full-time rate.

Half-time = 6 hours to less than 11 hours per week – 50 % of full-time rate.

One-quarter time = Greater than 0 hours to less than 6 hours per week - 25% of full-time rate.

Rates for all children served in non-traditional hours will be calculated by applying an adjustment factor of 1.35 to **only** the hours of care provided after 6 pm and before 6 am Monday through Friday and anytime Saturday or Sunday.
